Householding

Rule 30e-1 of the Investment Company Act of 1940 permits funds to transmit only one copy of a proxy statement, annual report or semi-annual report to shareholders (who need not be related) with the same residential, commercial or electronic address, provided that the shareholders have consented in writing and the reports are addressed either to each shareholder individually or to the shareholders as a group. This process is known as "householding" and is designed to reduce the duplicate copies of materials that shareholders receive and to lower printing and mailing costs for funds. Once implemented, if you would like to discontinue householding for your accounts, please call toll-free at 1-800-838-0191 to request individual copies of these documents. Once the Fund receives notice to stop householding, we will begin sending individual copies 30 days after receiving your request.
